

DEVCO **Environment and Climate Week 2020**

17-21 February 2020
Brussels, Belgium

Cooperation with the EIB under
the next MFF and Green Deal

Richard Amor,
European Investment Bank

Strategic context for EIB activity

EUR 1 trillion of
investments for Climate
Action and
Environmental
Sustainability by 2030

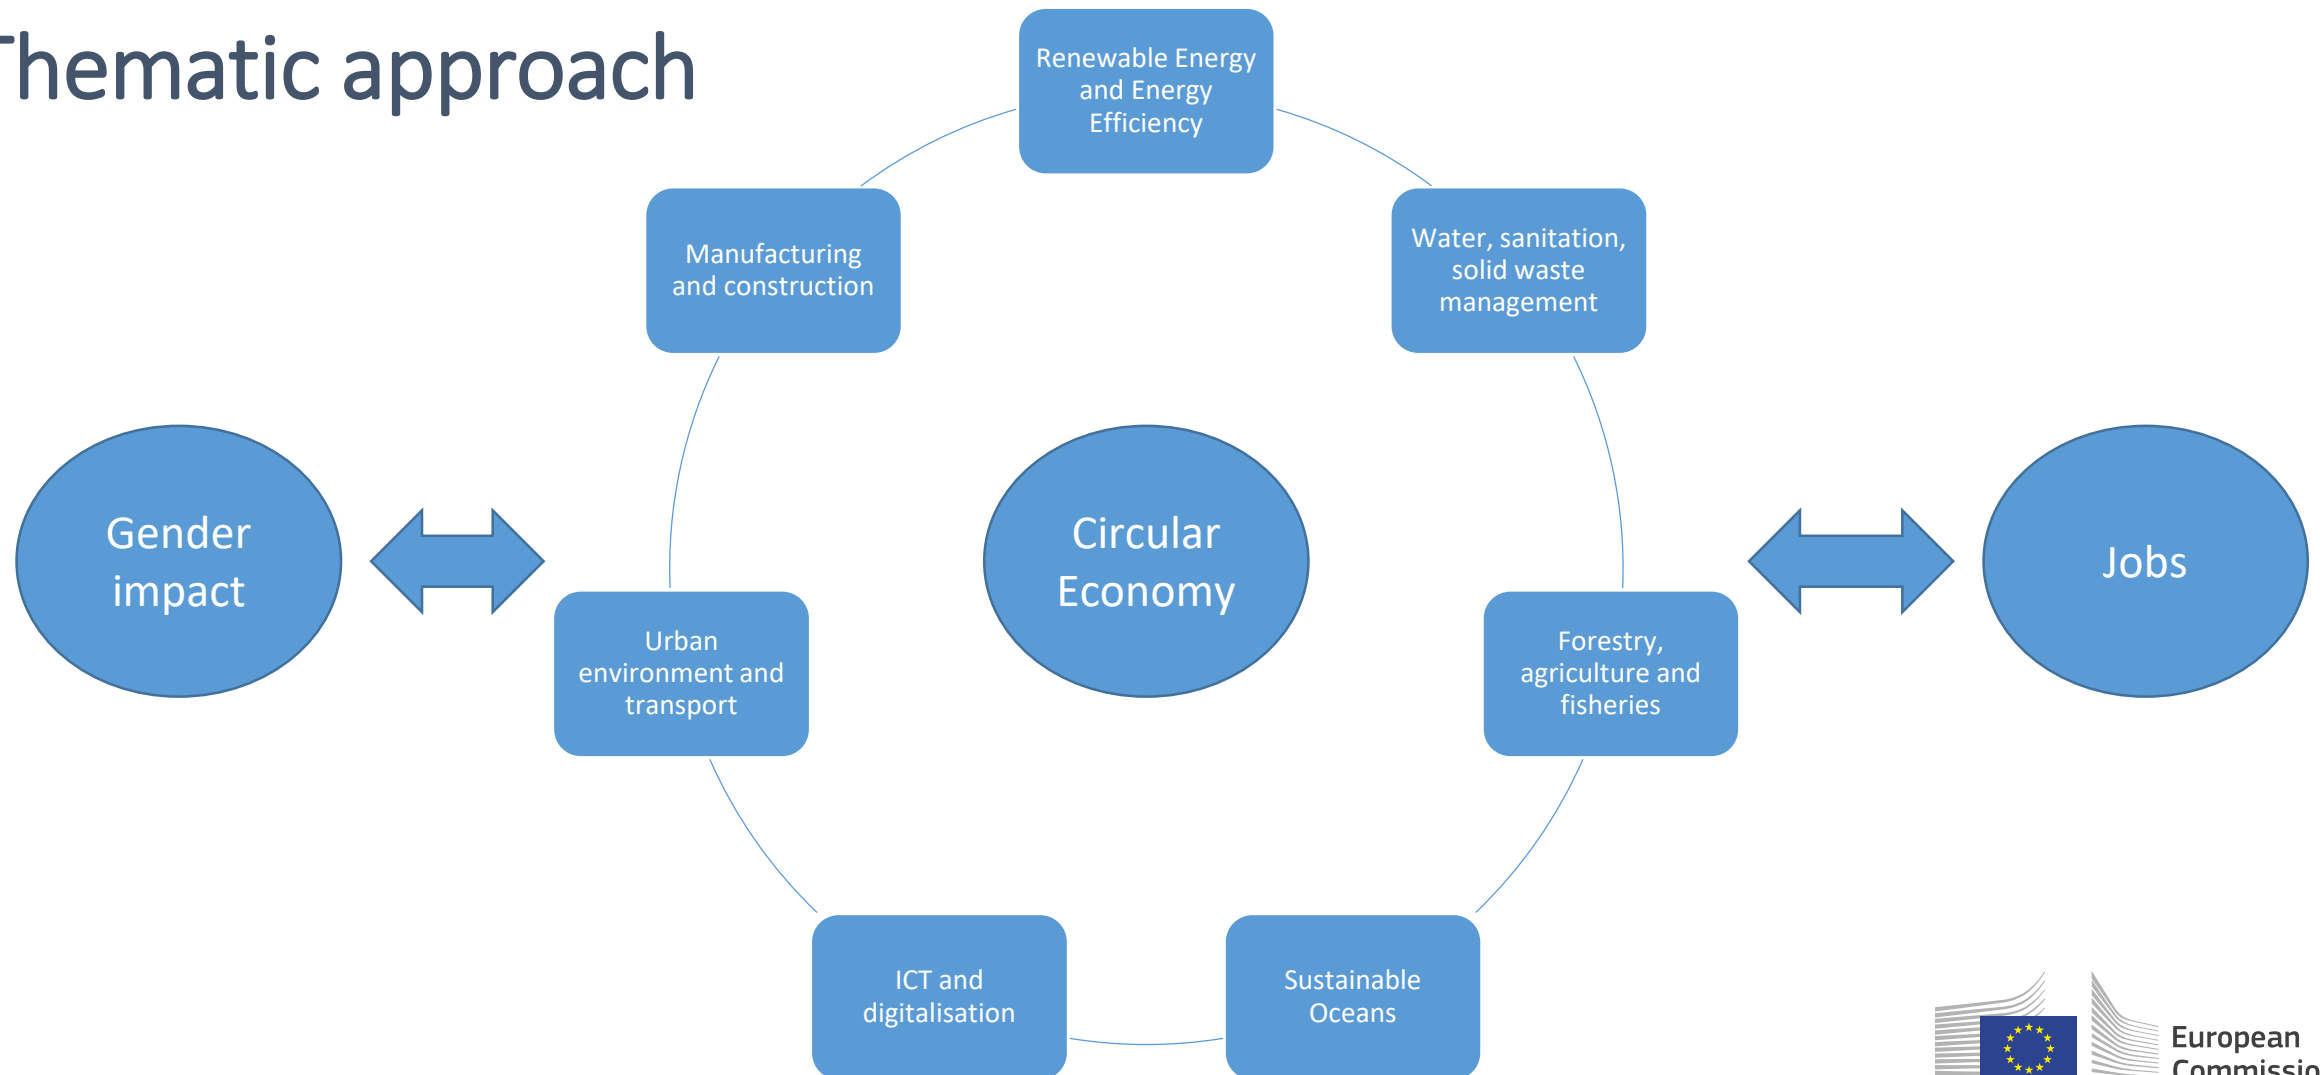

50% of all EIB activity
dedicated to Climate
Action and
Environmental
Sustainability by 2025

Paris alignment by end of
2020 and no more fossil
fuel lending after 2021

External dimension of
European Green Deal –
expectations of our key
stakeholder and partner
for next MFF

Programming: Climate
Action and Environmental
Sustainability expected to
be key theme across all
regions

Thematic approach

Some lessons learned

Build a clear narrative

Capacity
building and
smart regulatory
changes

Strategic
dialogue with
private sector

Venture capital
/ SMEs need
support – back
the pioneers

Partnerships are
key

Opportunities and looking ahead

European
Investment
Bank
