

# Thematic sessions

Mercedes Marin  
Team Leader for monitoring of  
the 10<sup>th</sup> EDF Energy Facility

## 4 Thematic sessions

- WIND AND SOLAR: Einstein
- SMALL HYDRO: Vesalius
- BIOMASS, BIOFUELS and ENERGY EFFICIENCY:  
Newton BC
- GOVERNANCE AND GRID EXTENSION: Darwin

## Structure of each section

- One chairman
- One rapporteur
- 2-3 projects presenting their experience

## Expected results

- We have prepared a number of question that each thematic group needs to try to answer. These questions are different for each group. Please participate!!!!
- The rapporteur must write down the conclusions, which are to be presented in the plenary session after lunch.

**THANK YOU!!!**
