IT IS YOUR SEMINAR !

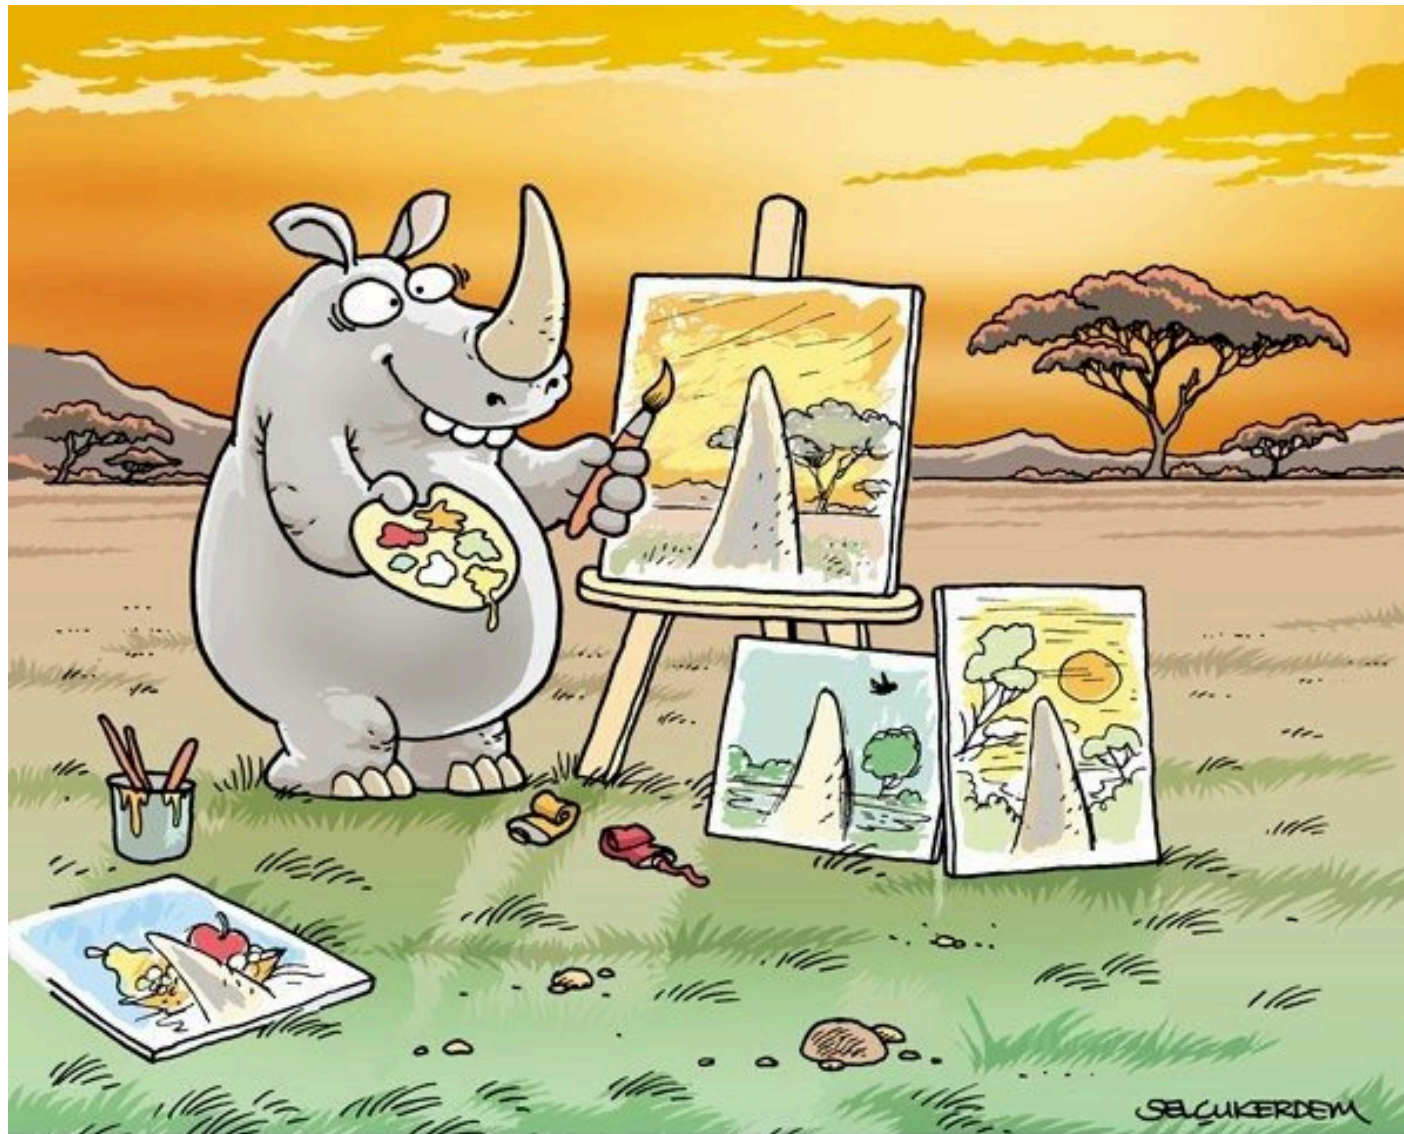

➔ INTERACTION

➔ EXCHANGE GOOD PRACTICES

➔ CO-PRODUCTION OF AGENDAS

A photograph taken from inside a cardboard box, looking out through a rectangular opening. The box's interior walls are made of brown corrugated cardboard, showing the characteristic fluted pattern. The opening is framed by the box's edges, and bright light is visible outside, creating a strong contrast with the dim interior. The text "Thinking out of the box needed!!" is superimposed in the center of the image in a bold, orange-brown font with a slight drop shadow.
