

## **Session 2.1 How are EU Delegations addressing the political dimensions of decentralisation**

### **Interactive Panel: Dominican Republic, Kenya, Afghanistan & India**

# Question 1

- What are the most relevant "political dimensions" of the decentralisation processes in your country?
- On what type of analysis did you base your intervention strategy and the selection of "entry points"?

## Question 2

- Can you describe some of your concrete implementation experiences and challenges during decentralisation processes (esp. regarding policy dialogue and roles)
