

## [EU-KO Climate Action Webinar]

### European Green Deal: An Opportunity for Green Economic Recovery after COVID-19

25 June 2020

#### Overview

- When: 16:00 – 18:00 (CET+7), 25 June 2020 (Thursday)
- Organizer: EU-Korea Climate Action, Energy Transition Forum
- Supported by: EU Delegation to the Republic of Korea
- Target Participants: Local governments, NGOs, Universities, Research Institutions, Business
- Language: English and Korean (simultaneous interpretation)

#### Objectives

- To provide a general overview of the European Green Deal including its legal framework, policy schemes, institutional mechanisms, financial programs, etc.
- To explore how the European Green Deal can be a key framework to achieve economic stimulus while ensuring a green and sustainable transition in the aftermath of COVID-19
- To raise awareness of the Green Deal as a new economic paradigm simultaneously addressing the economic recovery post Covid-19 as well as the climate crisis
