Team Europe Proposal

2016 Ukraine Reforms Architecture (URA) programme, UA, EU and EBRD, increasing the capacity of public administration to:

- → Develop reform agendas
  Implement reforms
- → Enhance the engagement in the reform process of the Ukrainian leadership
- → Contribute to changing the civil service work culture

1) Further strengthening of Ukraine's reform capacity:

- → Public finance management (LT)
- → Decentralisation (DE)
- → Privatisation/governance of state-owned enterprises (EBRD)
- → Digital transformation (EE)
- → Anti-corruption (DK)
- → Judicial reform (FR)

2) Developing the three-tier coordination mechanism to further assist the sustainable partnership and policy dialogue:

- → Development Partnership Forum at Prime Minister's level
- → Development Partnership Platform at the level of Deputy PM
- → Heads of Cooperation and Sectoral Working Groups (SWGs)

3) Supporting efficient management of International Technical Assistance (ITA):

- → Project registration, approval, monitoring and reporting
- → New regulatory framework
- → Digital platform for ITA management
  Modernising public IT infrastructure
- → Digitalisation of Government services

Common areas of interventions

- → Public administration reform
- → Privatisation and de-centralisation
- → E-governance
- → Education

Modalities and Tools

- Public administration reform
- Privatisation and de-centralisation
- E-governance
- Education

Transformational potential

- → To support national reforms to promote an inclusive, independent, democratic, prosperous, resilient and healthy Ukraine united around core European values
- → To achieve a tangible impact for all Ukrainian citizens, including the most vulnerable
