

Knowledge Management Strategies on DEVCO initiatives – Two case studies

30 September 2019

How can KM be mainstreamed on DEVCO programmes and initiatives? What value can it add? This session will showcase how including a systematic KM approach on DEVCO initiatives can improve development results. It will highlight two DEVCO initiatives that have integrated a KM strategy: Climate - The Global Climate Change Alliance Plus (GCCA+) and Migration - Migration EU eXpertise (MIEUX).
