Evolution of Chronic Malnutrition in Peru

(children under 5, WHO)

Source: ENDES

*Preliminary data for 2012

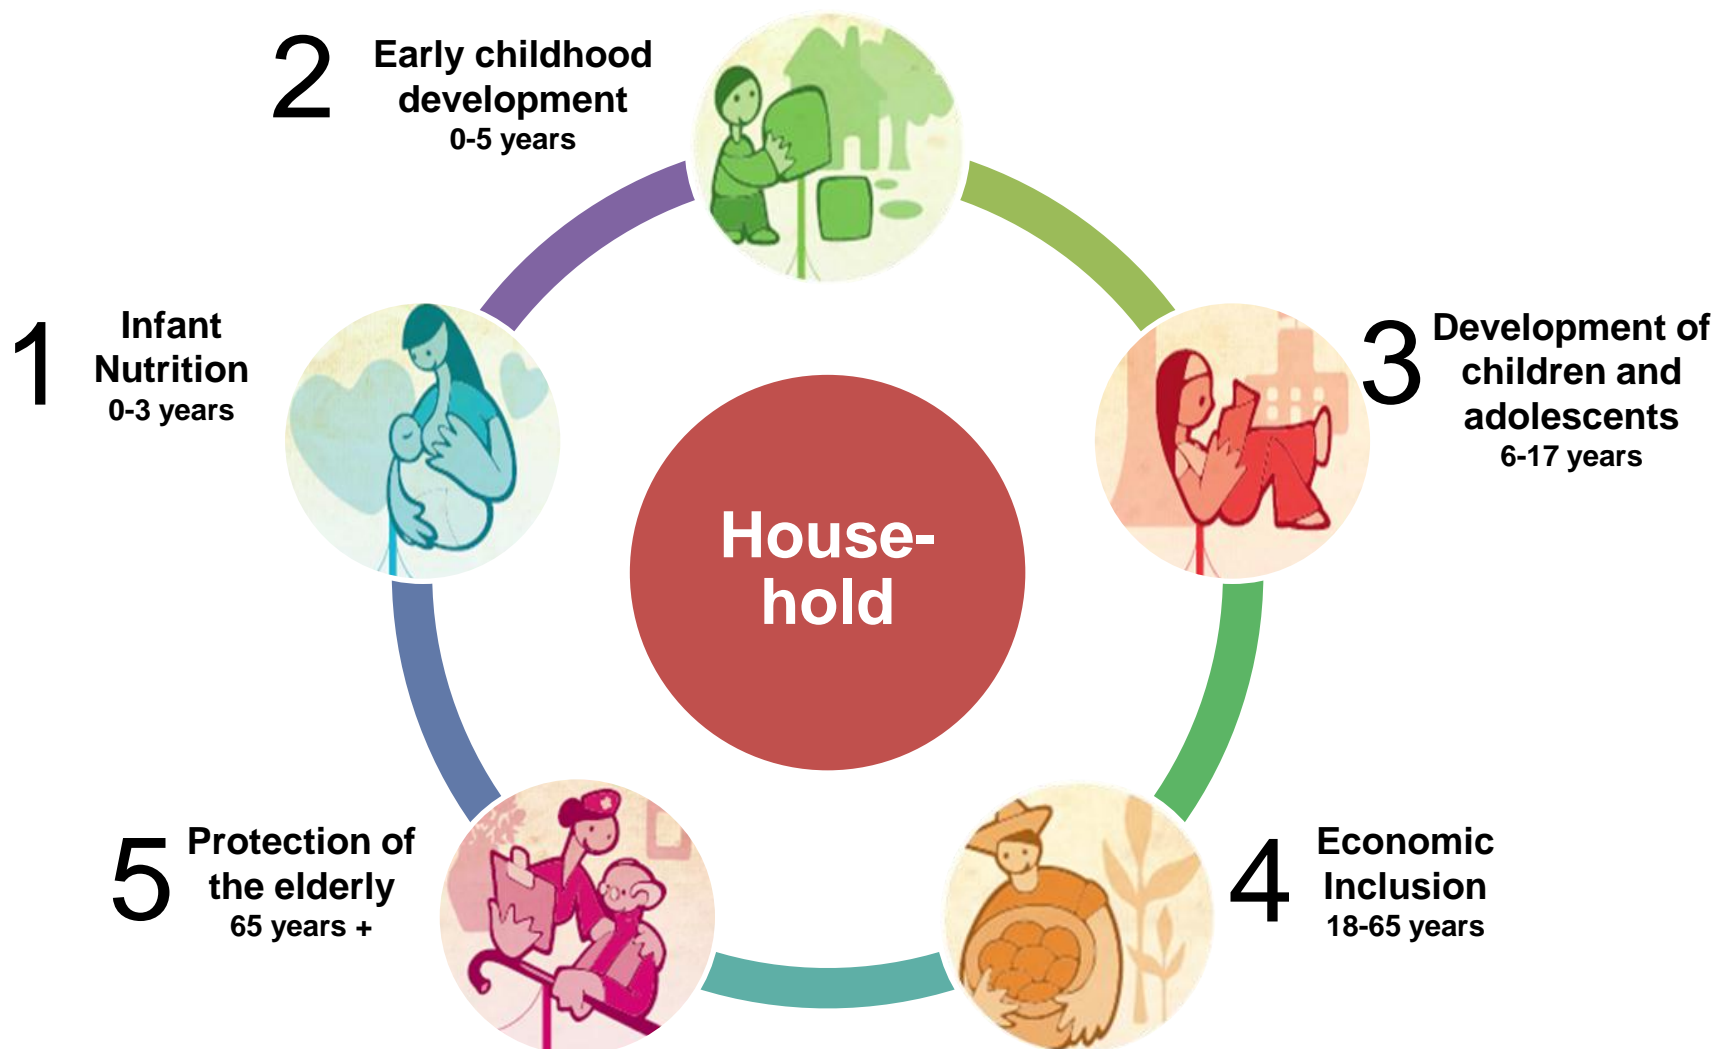

1. High level political commitment

The Ministers that make up the **Interministerial Committee on Social Affairs** (CIAS, for its Spanish acronym) and the **Board of National Assembly of Regional Governments** (ANGR) are committed to:

- implement effective interventions (use of evidence),
- increase coverage levels of effective interventions and
- Protect the budget assigned to projects and activities that contribute to reducing chronic child malnutrition.

2. Inclusion Strategy and Lifecycle
