9. If **quotas or antidumping** measures apply to your product/country, they will appear on the third row. Click on them to see the balance of the quota

8. In the **tariffs tab**, you will find the import tariff applying to your product/country. The first row (Erga Omnes) indicates the tariff to pay by any exporter outside the EU. The second row indicates if you can benefit from a preferential trade arrangement that will give you a tariff preference. The "discount" tariff appears in the tariff column. When you see "0%" it means that you do not have to pay anything to enter the EU market.
