# Working Group output guidelines -1

---

- Open discussion on thematic areas which are topic of the working group
- With focus on:
  - General comments about the Chapter Introduction:
    - With the thematic context (chapter 1.1)
    - With the Policy Drivers and Need Analysis (chapter 2)
  - Do you still note gaps in the chapters:
    - Have all communities – stakeholders been identified (chapter 3)?
    - Is the mapping exercise complete (chapter 4)?
    - Thematic and funding programme gaps (chapter 5)?

# Working Group output guidelines -2

---

- Service definition and cross cutting issues
  - Are other 'WATER' services required (chapter 6.1)?
  - Are all required skills to come to operational services mentioned (chapter 6.2)?
  - Is Prioritization of requirements appropriate and are other actions required (chapter 6.3)?
- Other Issues
  - Are there still other issues which need discussion?

# Template

---

- Compile remarks in final template:

	WG - 1	WG - 2	WG - 3
1. General Comments			
2. Gaps assessment			
3. Services proposed and cross cutting issues			
4. Other issues			

# Timing

---

- Please adhere to the following schedule:

Chapter topics	Work Group Sessions
1. General comments	4A 14-05-2013: 15:00-17:00
2. Gaps assessment	4B 15-05-2013: 09:00-10:45
3. Services proposed and cross cutting issues	4C 15-05-2013: 11:00-12:30
4. Other issues	

# Location of the Working Group Sessions

---

- Working Group 1:
- Working Group 2:
- Working Group 3:

# 2nd GMES & Africa Workshop Water Resources Management
