

# How to export to the European Union?

Harare, June 2013

*Ines Escudero Sanchez*  
*European Commission, DG Trade*

# What is the Export Helpdesk?

The screenshot shows the European Commission Export Helpdesk homepage. At the top, there is a logo for the European Commission and a banner for 'TRADE Export Helpdesk'. Below the banner, the page title 'Export Helpdesk' is displayed. The left sidebar contains links for 'Home', 'My export', 'Requirements', 'Tariffs', 'Preferential arrangements', 'Statistics', 'About us', and 'Resources'. The main content area features a section titled 'My export' with a sub-section 'Requirements' containing links to 'EU import procedures', 'EU Customs Union', 'Application of international trade rules', 'Import restrictions', 'EU product classification system', 'Special requirements', 'Value Added Tax (VAT)', 'Excise duties', and 'Documents for customs clearance'. There is also a 'Statistics' section with a link to 'EU trade flows inside & outside Europe'. The right sidebar includes sections for 'Latest news', 'Tariffs', 'Preferential arrangements', 'Features', and 'Resources'.

A website to inform you on how to export to the EU  
[www.exorthelp.europa.eu](http://www.exorthelp.europa.eu)

A database on trade in goods

Free access: no charge and no password

In 6 languages: English, French, Spanish, Portuguese, Arabic and Russian

# How can it help a business?

## How my product should be?

It provides you with the **full list of requirements** your product needs to fulfill to enter the EU market

## How much will it cost me?

It calculates the **import tariff** applying to your product and informs you if a preferential tariff applies in your specific case

## How to obtain a preferential tariff?

It explains the **preferential trade agreements** applying to your product and country, along with informing you how to implement them

It also explains how to prove the **origin** of your product

## With whom can I do business?

It provides you with a list of **EU trade contacts**

## Who is importing/exporting?

It assists your **market research** by providing detailed statistics on product-by-product EU trade flows

ex4415	Packing cases, boxes, crates, drums and similar packing's, of wood	Manufacture from boards not cut to size
ex4416	Casks, barrels, vats, tubs and other coopers' products and parts thereof, of wood	Manufacture from riven staves, not further worked than sawn on the two principal surfaces
ex4418	- Builders' joinery and carpentry of wood	Manufacture in which all the materials used are classified within a heading other than that of the product. However, cellular wood panels, shingles

**Which requirements  
apply to export  
wood to the EU?**

# Export wood to the EU

To export wood to the EU you must ensure that you comply with the EU relevant legislations. Some regulations applies to **all types** of wood and other applies to **specific types of wood**.

Before exporting to the EU check if the following legislations apply to your case:

## **Applying to all products (wood and not wood):**

- Product safety (Directive 2001/95/EC)
- Liability for defective products (Directive 85/374/EC)
- Packaging and packaging waste (Directive 64/62/EC)

## **Applying to all wood:**

- Legality of timber products (Reg EU 995/2010)
- FLEGT licensing scheme (Reg 2173/2005)

## **Applying to specific wood:**

- Wood packaging materials used for transport –including dunnage- (Directive 2000/29/EC)
- Cresotes in wood products (Reg EC 1907/2006)
- Wood preserved with arsenic (Reg EC 1907/2006)

## **Applying to specific wood (voluntary):**

- Eco label for wooden furniture and wooden floor coverings

**Which rules of  
origin apply to  
wood  
under the EPA?**

# What are the rules of origin?

The rules of origin define the **economic nationality** of a product for international trade

There are rules of preferential and non-preferential origin

Non-preferential rules of origin relate to quotas, antidumping measures, statistics or labelling.

Preferential rules of origin relate to **tariffs**
