« …ECOWAS OF PEOPLE …»

ECOWAP DONOR MATRIX

Introduction

The main objective is to create an inventory and categorise regional development projects in agriculture and food security in ECOWAS and how they relate to the objectives of the ECOWAP and the Regional Agriculture Investment Plan.

Functionalities

- List the main regional projects currently being implemented
- Indicate the implementing partner or agency
- Classify the projects by technical and financial partner
- Determine the type of support (technical, financial)

Functionalities (contd.)

- Determine the type of funding (grants, subsidies, credits, etc.)
- Indicate the sectors covered by the project
- Identify the priority programs and activities for ECOWAS priority that have not yet received funding
- Show how the logical framework of each project contributes to and is aligned to the ECOWAP/ CAADP

Regional Agriculture Investment Plan (RAIP)
S.O.s & Outcomes

S.O. 1: Promote strategic products for food security and food sovereignty

- **Outcome 1.1:** West Africa is able to meet most of its food needs through the promotion of rice, maize and cassava.
- **Outcome 1.2:** Regional imports of animal products and by-products are substantially reduced through the promotion of livestock systems and animal product chains.
- **Outcome 1.3**: Policies and strategies for the sustainable management of fisheries resources have been defined and implemented.

S.O. 2: Promote an enabling environment for regional agricultural development

- **Outcome 2.1:** The business environment for agri-food chains have been improved.
- **Outcome 2.2:** Mechanisms to help adapt to climate variability, climate change and integrated management of shared resources have been implemented at the regional level.
- **Outcome 2.3:** An information and decision support system is operational**.**
- **Outcome 2.4:** The capacities of regional stakeholders and institutions have been strengthened.

S.O. 3 Reduce food insecurity and promote sustainable access to food

- **Outcome 3.1:** A regional framework for analyzing the structural causes of food insecurity has been defined; tools for reducing food insecurity have been developed.
- **Outcome 3.2:** Systems for monitoring food insecurity and preventing food crises have been improved and adapted.
- **Outcome 3.3:** An information and decision support system is operational**.**
- **Outcome 3.4:** Regional mechanisms to help governments prevent and manage food crises and reduce food insecurity have been implemented.

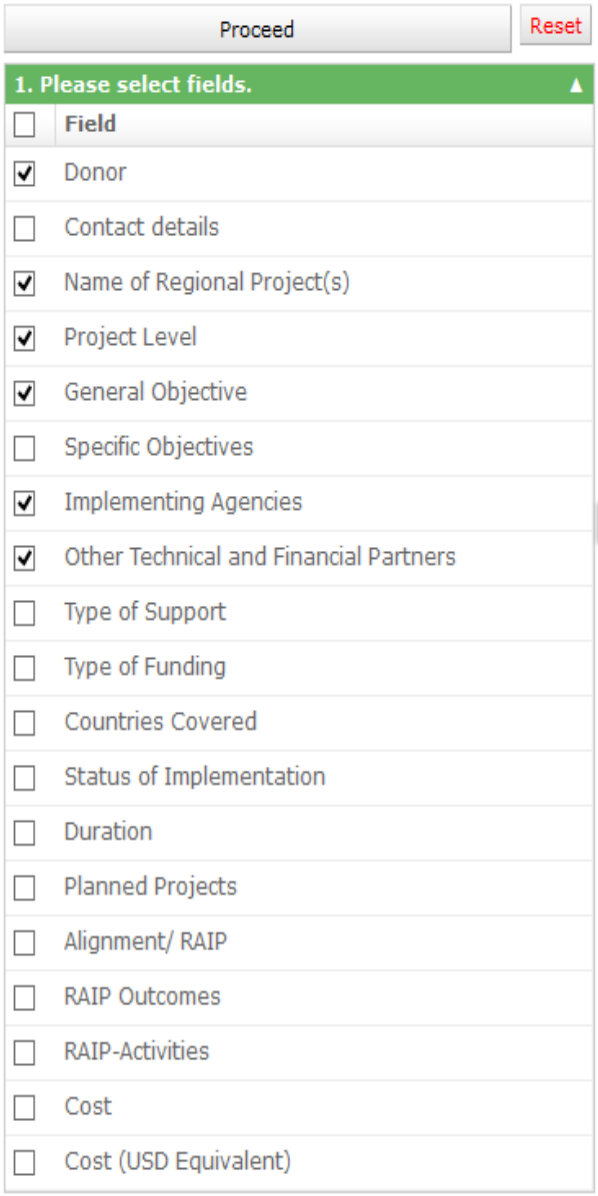
Interactive ECOWAS Map

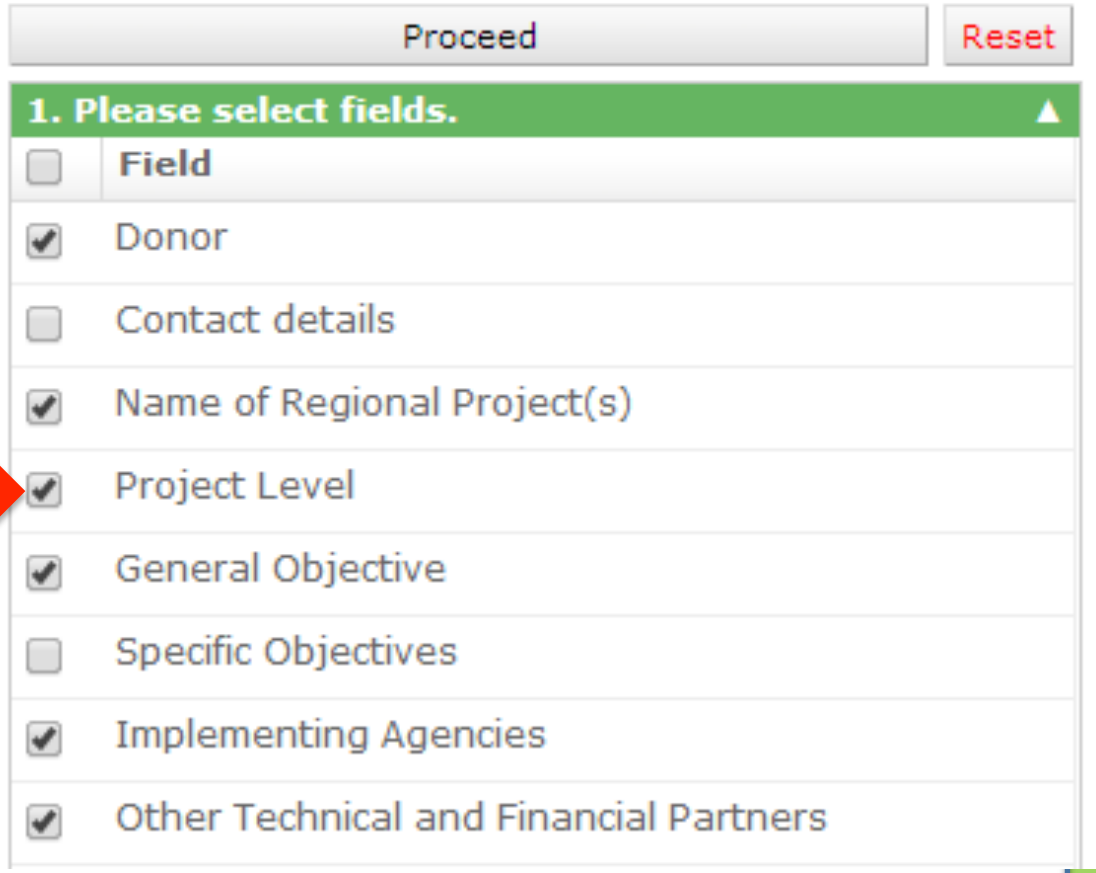
Browse the map by rolling your mouse slowing over the illustration. You may click on a country or a flag to view a summary of all the projects in that country

Key Variables

Column	Name of Variable	Description
A	Donor	Specify Leading Donor
B	Name of Regional Project(s)	Specify the Regional Project(s)
C	General Objective	Indicate the General Objective assigned to the project
D	Specific Objectives	Indicate the Specific Objectives assigned to the project
E	Implementing Partner or Agency	Organisation/institution responsible for the implementation
F	PTF	Specify Financial/Technical Partner
G	Type of Support	i.e. Technical and/or Financial
H	Type of Funding	i.e. Grants, Loans, Subsidies, Credits, etc.
I	Countries Covered	Specify Countries covered in project
J	Status of Implementation (indicate "Design/ Formulation", "Implementation", "Ending")	This column stresses on the implementation aspect. Indicate : "Design/Formulation" if the new prog/ project is being researched and designed; "Implementaion" if it has started; "Ending" if prog/project is at the final stage of implementation, before evaluation
K	Project DURATION	Number of year(s) planned for the implementation of the programme/project
L	Planned Project(s)	Specify future planned prog/projects that may serve as a follow-up to current project in implementation
M	Alignnment w/ RAIP-related S.O.	Specify the prog/project's alignment w/ ECOWAS' Regional Agricultural Investment Plan (RAIP) **S.O.s**
N	RAIP-Outcomes	Specify the prog/project's alignment w/ ECOWAS' RAIP **Outcomes**
O	RAIP-Activities	Specify the prog/project's alignment w/ ECOWAS' RAIP **Activities**
P	Cost (indicate the unit and currency) - USD	Indicate the total cost of the project, the currency used and the unit (in thousand, millions, etc.)
Q	Available Fund	Specify how much funding has already been secured for the prog/project

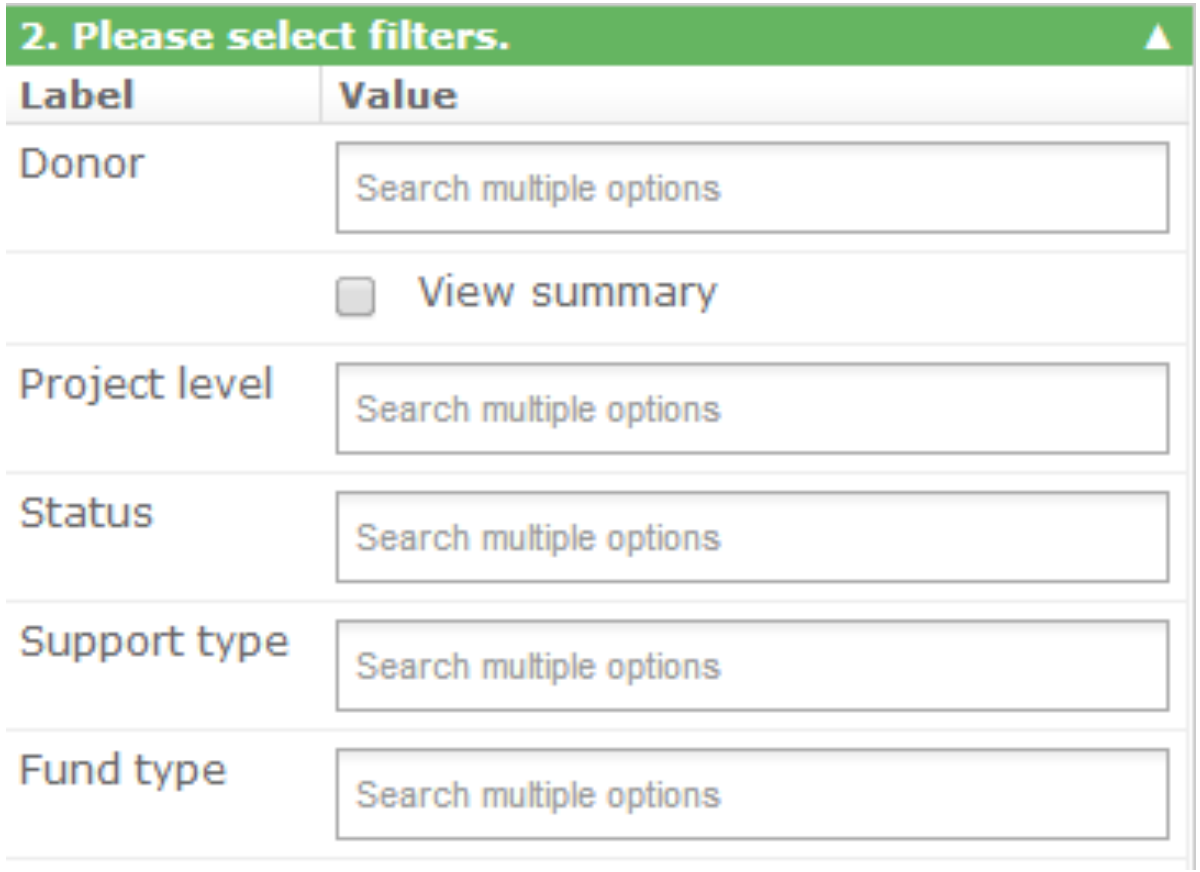
Generating Reports - Fields





The field options selected determines the column headers to be displayed in a report. Here is a list of all the fields available in the application

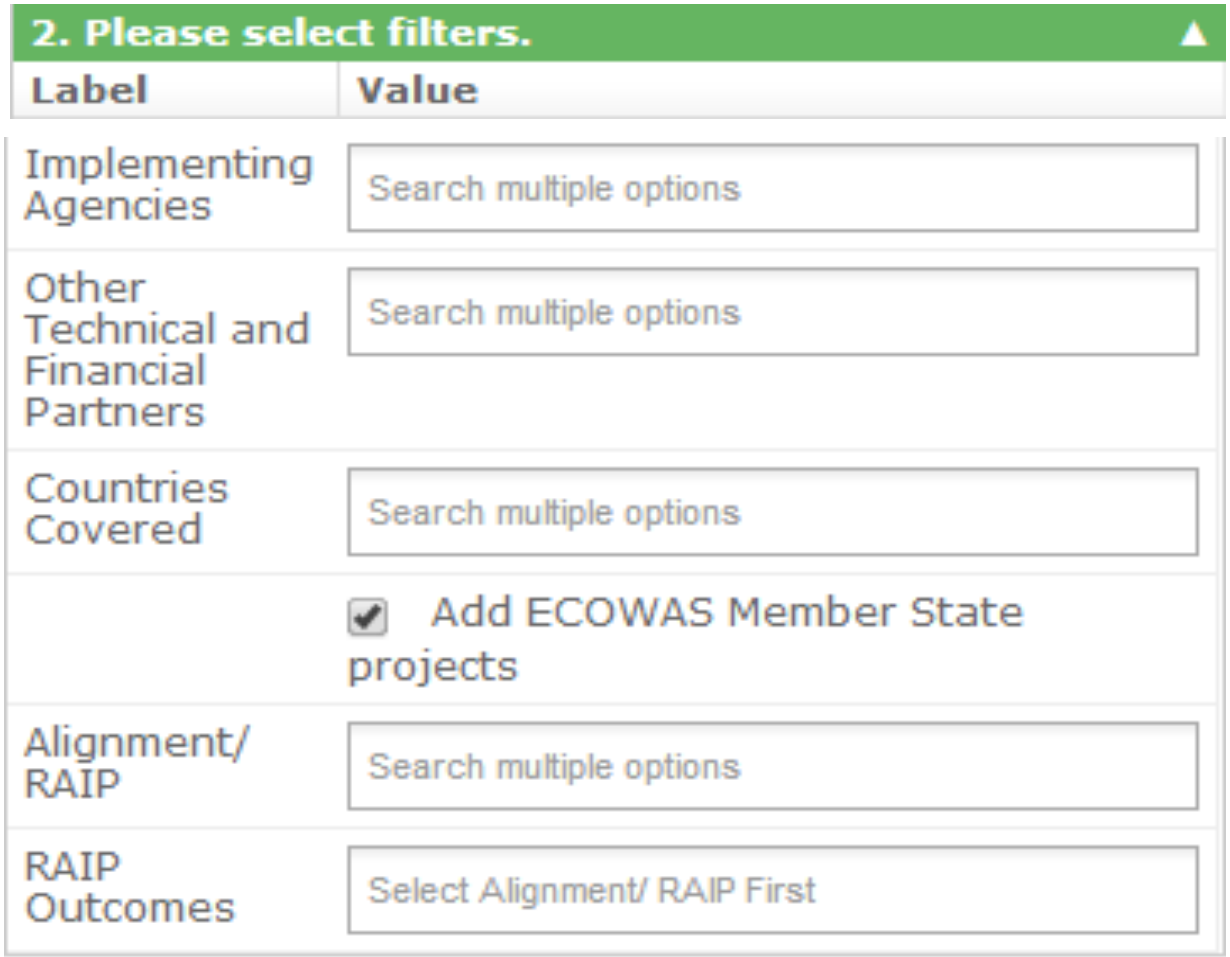
Generating Reports - Filters



Continued on next slide

There are a total of ten filters and each has a drop-down list which provides a set of items for applying criteria against a report column (header). The content of a report will only display results that match the criteria selected in the filter options

Generating Reports – Filters (contd.)



There are a total of ten filters and each has a drop-down list which provides a set of items for applying criteria against a report column (header). The content of a report will only display results that match the criteria selected in the filter options

Sample Reports- Filter by Donor (AU)

nor:

owap Donor Matrix: Project List — 1 result foun

Donor	Name of Regional Project(s)	Project Level	Specific Objectives	Implementing Agencies	Type of Support	Countries Covered	Alignment/ RAIP
AU	To provide ECOWAS Commission with technical and strategic support in the areas of fisheries and aquaculture	Regional	1. Governance reform programmes undertaken by ECOWAS Member States 2. Country Fisheries Investment Plans developed and implemented 3. Strong regional and global orientation of fish markets 4. Develop regional tools, systems and policy to tackle illegal fisheries production and trade 5. Increased linkages, exchange and additionality of the various PAF 6. Increased capacity of the ECOWAS Commission to coordinate and support the implementation of national and regional fisheries governance reforms	ECOWAS, NEPAD	Institutional support	ECOWAS Member States	S.O.1; S.O.2
