

EU Comprehensive Approach in the Horn of Africa from Concept to Implementation

**T. Baines
DG DEVCO, Fragility and Crisis Management Unit
Brussels, 16 April 2014**

The 8 Principles

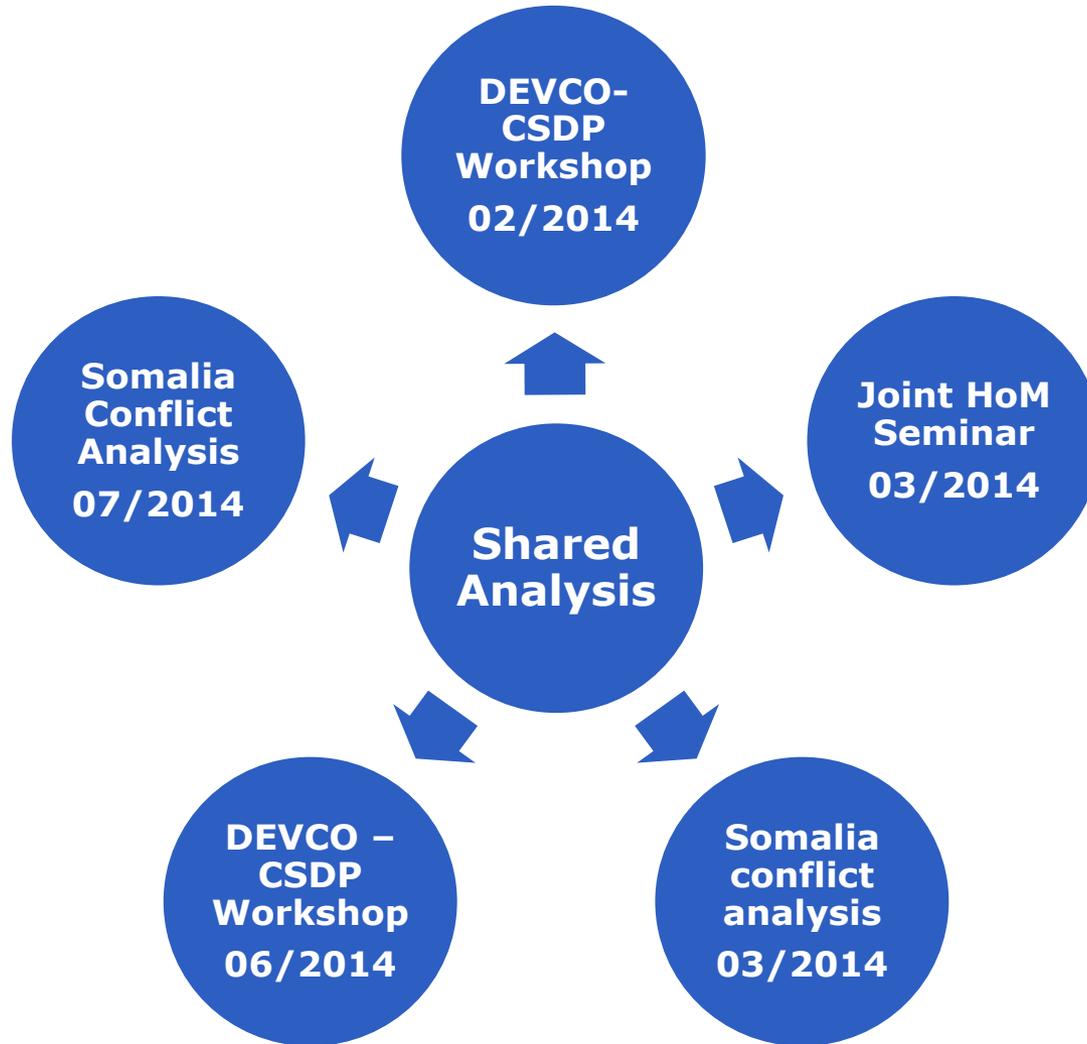

- 1. Shared Analysis*
- 2. Common Strategic Vision*
- 3. Focus on Prevention*
- 4. Mobilise different EU strengths and capacities*
- 5. Commit to the Long Term*
- 6. Linking internal and external policy to action*
- 7. EU Delegations*
- 8. Partnership*

The geographic challenge

European
Commission

Common Strategic vision – Somalia

Horn of Africa Strategic Framework

EU's approach in post-transition
Somalia

Integrated EU
approach to
Security and Rule
of Law in Somalia

...

...

Conflict Prevention focus

Applies to all contexts, regardless of the severity or frequency of violence

Applies to all types of work, humanitarian, development and security, political and diplomatic

Does not require changing mandates/priorities/objectives

Mobilisation of strengths and long-term commitment

A limited set of priorities: concentration

Joint Programming: division of labour

Link-up humanitarian to development: LRRD

CSDP objectives and results and link to long-term development

EU Delegation
