

## **NEW PEI PHASE, NEW TAG (?)**

Modified emphases, strengthened focus on

- Poverty, poverty assessment, poverty impact analysis;
- Green economy linkages and articulation;
- Beyond GDP, natural wealth, natural capital accounting;
- Climate change adaptation including in urban areas;
- Social equity, gender mainstreaming, rights-based approaches;
- Ever stronger One UN;
- Enhanced networking, new partnerships;
- Sustainability Strategy

Requiring – for PEI regional and national teams - and partners in government and civil society, through various means including TAG:

- Wider participation of committed individuals and appropriate organisations in PEI and/or TAG;
- Specialist inputs in relevant technical areas (as above);
- Network of networks
- Linkages to relevant initiatives
- Strategic advice, including on agreeing a Sustainability Strategy for beyond 2015
