

List of the indicators of the Common Country Assessment (CCA)

Conference goal	Target	Indicators (disaggregated by sex)
<i>Income-poverty</i>		
Reduced income- poverty levels	Proportion in extreme poverty in 1990 reduced by half by 2015 (WSSD + 5)	<input type="checkbox"/> Poverty headcount ratio (% of population below national poverty line, and % of population existing on less than \$1 dollar a day) <input type="checkbox"/> Poverty gap ratio <input type="checkbox"/> Poorest fifth's share of national consumption
<i>Food security and nutrition</i>		
Improved child nutrition	Severe/moderate malnutrition among children under 5 reduced to half of 1990 level by 2000 (WSSD/FWCW/WSC/WFS)	<input type="checkbox"/> % of children under age 5 suffering from malnutrition
Increased food security	Reduce number of chronically undernourished by half by 2015 (WFS)	<input type="checkbox"/> % of population below minimum level of dietary energy consumption (caloric intake in context of food balance sheet) <input type="checkbox"/> % of household income spent on food for the poorest quintile
<i>Health and mortality</i>		
Improved health care	Universal accessibility of primary health care (ICPD/WSSD/FWCW)	<input type="checkbox"/> % population with access to primary health care services
Reduction in levels of HIV/AIDS	Universal access to reproductive health services and information by 2015 (ICPD)	<input type="checkbox"/> Estimated HIV adult prevalence rate <input type="checkbox"/> HIV prevalence in pregnant women under 25 who receive antenatal care in capital cities/major urban areas
Reduced infant mortality	Reduction of IMR by one third of 1990 level and below 35 per 1,000 by 2015 (ICPD/WSSD/FWCW/WSC)	<input type="checkbox"/> Infant mortality rate
Reduced child mortality	Under-five mortality rate reduced by two thirds of 1990 level by 2015 (ICPD/WSC)	<input type="checkbox"/> Under-five mortality rate
<i>Reproductive health</i>		
Improved maternal health and reduced maternal mortality	Reduction by half of 1990 levels by year 2000 and a further half by 2015 (ICPD/WSSD/FWCW/WSC)	<input type="checkbox"/> Maternal mortality ratio <input type="checkbox"/> % of births attended by skilled health personnel
Increased access to family planning	Universal access to safe/reliable contraceptive methods (ICPD)	<input type="checkbox"/> Contraceptive prevalence rate
<i>Child health and welfare</i>		
Improved child health	Universal immunization against measles (WSC)	<input type="checkbox"/> % of 1-year-old children immunized against measles
Reduced child labour	Elimination of child labour (WSSD)	<input type="checkbox"/> % of children < age 15 who are working
<i>Education</i>		
Increased access to basic education	Universal access, and completion of primary education by 2015 (EFA/FWCW/WSC/ICPD)	<input type="checkbox"/> Net primary enrolment or attendance ratio <input type="checkbox"/> % of pupils starting grade 1 who reach grade 5
Increased literacy	Adult illiteracy reduced by half 1990 level by 2000 (EFA/WSSD/FWCW)	<input type="checkbox"/> Adult literacy rate <input type="checkbox"/> Literacy rate of 15- 24-year-olds
<i>Gender equality and women's empowerment</i>		
Gender equality in education	Eliminate disparity in primary and secondary education by 2005 (ICPD/WSSD/FWCW)	<input type="checkbox"/> Ratio of girls to boys in secondary education
Gender equality in employment	Eliminate discriminatory practices in employment (FWCW)	<input type="checkbox"/> Females share (%) of paid employment in non-agricultural activities
Women's political empowerment	Equitable access to political institutions (FWCW)	<input type="checkbox"/> % of seats held by women in national government, including parliament
<i>Employment and sustainable livelihood</i>		
Creation of full employment	Universal access to paid employment (WSSD)	<input type="checkbox"/> Employment to population of working age ratio <input type="checkbox"/> Unemployment rate <input type="checkbox"/> Informal sector employment as % of total employment
<i>Housing and basic household amenities and facilities</i>		
Adequate shelter for all	Provision of sufficient living space and avoidance of overcrowding (HABITAT II)	<input type="checkbox"/> No. of persons per room, or average floor area per person
Improved access to safe drinking water	Universal access to safe drinking water; full coverage of drinking water supply (by 2025) (FWCW/WSSD/UNCED)	<input type="checkbox"/> % of population with (sustainable) access to safe drinking water
<i>Environment</i>		
Improved environment	Clean and healthy environment and reversal	<input type="checkbox"/> Carbon dioxide emissions (per capita)

	of current trends in loss of environmental resources (UNCED)	<input type="checkbox"/> Biodiversity: land area protected <input type="checkbox"/> GDP per unit of energy use <input type="checkbox"/> Arable land per capita <input type="checkbox"/> % change in km ² of forest land in past 10 years <input type="checkbox"/> % of population relying on traditional fuels for energy use
<i>Drug control and crime prevention</i>		
Improved drug control	Measurable results in reducing cultivation, manufacture, trafficking and abuse of illicit drugs by 2008 (GAD)	<input type="checkbox"/> Area under illegal cultivation of coca, opium poppy and cannabis <input type="checkbox"/> Seizures of illicit drugs <input type="checkbox"/> Prevalence of drug abuse
Improved crime prevention	Eliminate/significantly reduce violence and crime (UNCPCTO)	<input type="checkbox"/> No. of crimes per 100,000 inhabitants
<i>International legal commitments for human rights</i>		
Universal ratification of international human rights instruments	Acceding to all international human rights instruments and avoiding the resort to reservations, as far as possible	<input type="checkbox"/> Status of ratification of, reservations to and reporting obligations under international human rights instruments <input type="checkbox"/> Status of follow-up to concluding observations of UN human rights treaty bodies
<i>Democracy and participation</i>		
Strengthened democratic institutions and popular participation	Free and fair elections and democratic government (WCHR)	<input type="checkbox"/> Periodicity of free and fair elections <input type="checkbox"/> Recognition in law of the right to freedom of expression, association and assembly
