- EU-funded scholarships awarded: three annual student selections
- Students study in at least two HEIs

EMJMDs & development

- Themes of Masters
- Scholarships worldwide, plus "windows" for certain regions
- Consortia can include full partners or associates from Partner Countries

The background image shows a laboratory or classroom setting. In the foreground, several students are seated at desks, working on computers. They are looking at monitors that display scientific data or maps. In the background, a man in a white lab coat is smiling and looking towards the camera. The room has large windows with blinds, and there are several microscopes on the desks. The overall atmosphere is one of a busy, educational environment.
