

EU BC&E 2013

21st European Biomass Conference and Exhibition

Setting the course for a biobased economy

Bella Center - Copenhagen, Denmark • Conference 3 - 7 June 2013 • Exhibition 3 - 6 June 2013

This year the EU BC&E is bringing the highlights of bioenergy to **Copenhagen!**

3-6 June 2013

Mark these dates in your 2013 diary

The 21st European Biomass Exhibition will take place from the 3rd to the 6th of June 2013 at the stylish [Copenhagen Bella Center](#), a business meeting point that is renowned for its state-of-the-art facilities and its proximity to the airport and city centre.

Thanks to the positive response from last year's exhibitors and the interest already demonstrated by various other companies, the upcoming event is set to surpass the success of previous editions.

Reserve a stand NOW to secure a prime location!

With over 2000 m² of available [exhibition space](#), you will be able to showcase your products, brand and activities in an exciting setting focused on the latest bioenergy innovations and market trends.

Presentation Area for Exhibitors

A special area will also be available in the Exhibition to allow companies to present their products and activities in front of a seated public. Check our [Industry Presentations page](#) to learn more.

Sponsorship Opportunities

We also offer the opportunity to become an OFFICIAL SPONSOR OF THE EU BC&E, allowing your company to obtain extensive visibility throughout the event and in the following period: from conference information material to delegate bags and the welcome reception drinks, the 21st European Biomass Conference and Exhibition has various sponsorship opportunities to choose from, so be sure not to miss this valuable promotional tool. For a complete overview of the sponsorship options, please consult our [website](#).
