

## **Enabling Environment (EE) session preparation**

We want to hear from you and understand your own experiences in supporting an EE. During this session we will work in small groups to allow you to share your experiences. You will be asked to answer 3 key questions. Please use the questions below to prepare your responses and share your experiences. TA will follow up with you if you would like to elaborate on your experiences for a PFD "compendium" of EE work.

### **1. What are the key components of an EE for you?**

### **2. State of play: Your efforts in advancing an EE**

What aspect of EE did you work on in the past 12 months?

- Political
- Policy influencing space
- Operations / implementation space?
- Monitoring
- Other:

What method did you use?

- Campaigning, activism?
- Collaborative methods (consultations, etc.)?
- Direct advocacy toward a particular person or issue
- Other:

What results have you achieved?

What key challenges have you faced?

What are your three main "takeaways" for future work?

**3. How can LAs and CSOs work together to enhance an enabling environment?**
