Joined capacity4dev.eu on 14 February 2011

Professional interests: Agriculture & Rural Development, Energy, Environment & Climate Change

About: After studying Agronomy and Forestry, I worked in Mayotte (Ile) for the protection of the local natural resources. I then moved to the United Nations Convention to Combat Desertification (UNCCD) in Bonn, Germany, working with the local community in support of the policy areas. Then I worked in a NGO, in a remote area on small development projects, before joining EuropeAid.
