

**Feedback on the preparatory
document for the elaboration of
the CSO-LA thematic programme
2014-2020
Priority 3: DEAR**

Feedback solicited following the presentation of the draft document on 19 June 2013.

Deadline for feedback: 15 July 2013

6 input papers received from **7 CSO** platforms and **1 LA** platforms

Actors/geographical scope:

Positive:

- *Space for exchange/collaboration between EU actors and actors from developing countries*
- *Involvement of new actors in DEAR*
- *Possibility to enlarge the geographic scope of DEAR programme*

Actors/geographical scope:

Suggestions for improvement:

- *European CSO/LA should remain primary partners in DEAR programme. Other actors as partners only.*
- *European CSO networks should benefit from preferential treatment and be key partners*
- *The programme should support action at national level, not just European level.*

Strategic orientations:

Positive:

- Programme builds on DEAR consensus and other documents
- Wide understanding of development (which includes global justice, etc.)
- Support to DEAR actions beyond the education system
- Focus on Policy Coherence for Development

Strategic Orientations:

Proposals for improvement:

- *The programme should have a truly global dimension*
- *DEAR should aim at transformation at personal and society level*
- *The programme should have a particular focus on children and youth and peer education*
- *Focus on critical engagement (not PR) should be clearer*

Implementation:

Positive:

- *Continuation of the DEAR programme in the new CSO-LA programme*
- *Development of tools and indicators to measure impact*

Implementation

Proposals for improvement:

- *Priority 3 allocation should be larger*
- *The programme should include direct support to small projects*
- *"Capacity-building" aspect should be clarified*
- *DEAR Coordination projects should be supported under the programme*
