

***'Internationalization of EU R&I
co-funded partnerships:
Challenges & Opportunities'
special roundtable session***

**Thursday 13th March 2025
11.30am CET**

Obstacles:

1. Lack of long-term funding opportunities
2. Lack of joint priorities for action
3. Complex coordination and high level of administration ^{02 40 67 51 45}
4. No "incentives" for inclusions of LMIC
5. Limited use of existing instruments by partners from outside Europe
6. Limited funding for scaling up

Solutions:

1. Concentration of funding on successful initiatives
2. Foster scaling up processes
3. Establish a structure (e.g. working group) to identify and agree on priorities
4. Foster participatory approaches
5. Simplify administration
6. Provide "incentives" for participation of LMIC
7. Leveraging synergies
8. Enhance outreach and communication
