Nairobi 10-14 November
2025

Understanding Migration and Displacement in Sub-Saharan Africa

Mon 10th Nov Migration Concepts, Frameworks & Challenges

8:30-9:15 Opening Session and Welcoming Remarks

Joachim Osur
Vice Chancellor of Amref International University

Evelyn Cheluget, EBS, OGW, 'ndc'(K)
DG Directorate of Immigration Services, Kenya

9:15-9:45 Introduction to the MAPS Project

Cristina Giudici
MAPS Scientific Coordinator
UNESCO Chair on Population, Migrations
and Development, Sapienza University of Rome

9:45-10:30 Session 1 - Understanding African Migration: Patterns, Pathways, and Data

Christopher ZAPP
IOM Nairobi, Kenya

10:30-10:45 Coffee Break

10:45-13:15 Session 2 - Setting the Stage

10:45-11:15 Migration and Displacement. Definitions, Phenomena & Theories

Cecilia Fortunato
UNESCO Chair on Population, Migrations
and Development, Sapienza University of Rome

11:15-11:45 Migration and Global Health

Alberto Matteelli
UNESCO Chair on Training and Empowering Human
Resources for Health Development in Resource-Limited
Countries, University of Brescia

11:45-12:15 Migration trends in South Africa

Pedzisai Ndagurwa
University of the Witwatersrand, Johannesburg

12:15-12:45 Migration trends in Eastern Africa

Natal Ayiga
Kabale University

12:45-13:15 Migration trends in Western Africa

Ramadan Diallo
Deputy Director General of Scientific Research
Ministry of Higher Education, Scientific Research
and Innovation, Guinea

13:15-14:00 Lunch

14:00-17:00 Working Group - The Four Pillars

Facilitators
Laura Colini
UNESCO Chair on Social and Spatial Inclusion of International
Migrants - Urban policies and practices, University Luav of Venice

Alfredo Alietti
University of Ferrara

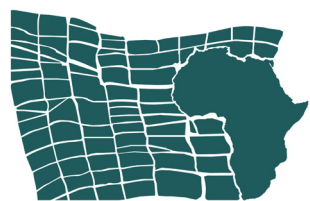

Amref International University

Northland Campus, Off Thika Road, Ruiru, Kenya Northland, Nairobi, Kenya

PLANET Climate Change

Tue 11th Nov

9:00-9:45 Session 1

Shared Conceptual Frameworks

Petra Malisan UNESCO Chair on Intersectoral Safety for Disaster Risk Reduction and Resilience, University of Udine

9:45-10:30 Session 2

Climate Change and Its Impact on Natural Resources

Giovanna Grossi UNESCO Chair on Community Based Research and Social Responsibility in Higher Education, University of Brescia

10:30-11:00 Coffee Break

11:00-11:45 Session 3

Migration Effects from Rural to Urban Due to Climate Change

Srinivasa Rao Gadde The University of Dodoma

11:45-13:00 Session 4

Anticipating Movements. The Role of Predictive Models in Climate-Related Migration

Claudio Carnevale University of Brescia
Sabrina De Nardi University of Brescia

13:00-14:00 Lunch

14:00-17:00 Working Group

Role Play on Climate Action, Migration, and Global Cooperation

Facilitators
Claudio Carnevale University of Brescia
Sabrina De Nardi University of Brescia

PROSPERITY Economic and Social Dimension of Immigration

Wen 12th Nov

9:00-9:15 Welcome Session

Sandra Sotelo Reyes University of Barcelona

9:15-10:15 Session 1 - Economy

Migration Decisions, Labour and Fiscal Impacts of Immigration: Challenges for Sub-Saharan Countries

Javier Vázquez Grenno University of Barcelona

Seeds of Prosperity: Analyzing Barriers to Agricultural Self-Sufficiency in Uganda's Refugee Settlements

Ruth Tibesasa Kabale University

10:15-11:15 Session 2 - Welfare

Equal Access to Urban Services & the Right to the City for All

Giovanna Marconi UNESCO Chair on Social and Spatial Inclusion of International Migrants - Urban policies and practices, University Luav of Venice

Mapping Access to Social and Health Services: Perspectives and Indicators Research

Alfredo Alietti University of Ferrara

11:15-11:45 Coffee Break

11:45-13:00 Session 3 - Housing and Land

Housing Rights and Urban Integration: Navigating Affordability, Informality, and Displacement of Migrant Population in Policy and Practice

Laura Colini UNESCO Chair on Social and Spatial Inclusion of International Migrants - Urban policies and practices, University Luav of Venice

13:00-14:00 Lunch

14:00-17:00 Workshop Session

Country and Topic-Base Focus

Alfredo Alietti University of Ferrara

Laura Colini UNESCO Chair on Social and Spatial Inclusion of International Migrants - Urban policies and practices, University Luav of Venice

Giovanna Marconi UNESCO Chair on Social and Spatial Inclusion of International Migrants - Urban policies and practices, University Luav of Venice

PEOPLE Health, Age and Gender

Thu 13th Nov

8:00-13:00 Field visits and outdoor activities

Return to Amref International University, Northlands Campus

13:00-14:00 Lunch

14:00-15:00 Session 1

Age and Gender in Migration Studies

Josephat Nyagero Amref International University
Jackson Tumwine Kabale University

15:00-16:00 Session 2

Migration and Mental Health

Lucy Njiru Amref International University

16:00-17:00 Working Group

Working Group: Gender, Health, and Generational Dynamics

Facilitators

Giuliana Polo UNESCO Chair on Population, Migrations and Development, Sapienza University of Rome

Alessandro Feraldi UNESCO Chair on Population, Migrations and Development, Sapienza University of Rome

PEACE Policies and Practices

Fri 14th Nov

9:00-10:00 Session 1

Peace in Practice: EU-Africa Cooperation on Migration and Asylum Policy

Enza Roberta Petrillo UNESCO Chair on Population, Migrations and Development, Sapienza University of Rome

10:00-11:00 Session 2

Dialogue with Local Stakeholders

Facilitator
Sandra Sotelo Reyes University of Barcelona

11:00-11:30 Coffee Break

11:30-13:00 Session 3

Wrap up and Preparation of the Posters for Plenary Presentations

Facilitator
Giovanna Marconi UNESCO Chair on Social and Spatial inclusion of International Migrants - Urban policies and practices University Luav of Venice

13:00-14:00 Lunch

14:00-16:30 Session 4

Interactive Subgroup Discussion

Facilitators

Enza Roberta Petrillo UNESCO Chair on Population, Migrations and Development, Sapienza University of Rome

Giovanna Marconi UNESCO Chair on Social and Spatial Inclusion of International Migrants - Urban policies and practices University Luav of Venice

16:30-17:00 Closing Remarks

Cristina Giudici Maps Scientific Coordinator
UNESCO Chair on Population, Migrations and Development,
Sapienza University of Rome

CRISTINA GIUDICI
Maps Scientific Coordinator
Sapienza University of Rome

PhD, associate professor of Demography at Sapienza University of Rome and Chairholder of the UNESCO Chair on Population, Migrations and Development. She is coordinator of the doctoral curriculum in Demography, Ph.D. program on School of statistical sciences at Sapienza University of Rome, and member of the European Doctoral School of Demography (EDSD) Board. She is PI of the EU project "Migration and Displacement Action Plan for Sub-Saharan Africa (MAPS) Developing policy-oriented research on Migration and Displacement in the Sub-Saharan Region. She served as expert consultant for several national and international institutions, such as United Nations, UNESCO, Council of Europe, Italian Ministry for Foreign Affairs, Italian Ministry of Interior. She currently serves as a member of the UNESCO Liaison Standing Committee of the World Council for Comparative Education Societies (WCCES).

ALFREDO ALIETTI
University of Ferrara

Associate professor of Sociology and Urban and Territorial Sociology at the University of Ferrara, Department of Humanities. He was a member until 2024 of the steering committee of the Research Network of European Sociological Association 31 "Racism, Anti-Semitism and Ethnic Relations". He is director of the Centre for the Development of International Cooperation of the University of Ferrara, co-director of the Laboratory of Urban Studies of the Department of Humanities. He is part of the Ecology, Politics and Society Italian network of scholars. His main topics of research are racism, discrimination, interethnic coexistence in urban contexts, urban policies, social resilience, environmental racism and environmental migration.

NATAL AYIGA
Kabale University

Professor of Demography and Population Studies at Kabale University. I hold a PhD in Population Studies, a Master's in Demography, and a Bachelor of Social Sciences majoring in Economics and Sociology. I have undertaken advanced training in Modeling Demographic Dynamics, Sexual and Reproductive Health, including HIV/AIDS, Monitoring and Evaluation of Population and Health programmes in diverse contexts, and the application of Quantitative and Qualitative tools in data generation and analysis, demonstrating my deep technical competence in data acquisition and analysis. I worked on several research projects sponsored by MLGSD-Uganda, UNICEF, UNFPA, UNDP, IOM and bilateral projects of USAID, contributing to understanding the impacts of forced displacement of nearly 2 million people in Northern Uganda during the LRA insurgency and other vulnerable population groups on topics that include HIV/AIDS, Sexual and Reproductive Health, Nutrition and well-being of children, and Gender Based Violence.

CLAUDIO CARNEVALE
University of Brescia

Received his M.S. degree in Electronic Engineering and the Ph.D. degree in Information Engineering from the University of Brescia, in 2001 and 2005, respectively. He is currently an Associate Professor with the Department of Mechanical and Industrial Engineering, University of Brescia. His main research interests include modeling and control of deterministic nonlinear systems, online and offline data assimilation techniques, identification of nonlinear systems, and nonlinear optimization problems. He is the co-funder of the DATINNOVA startup.

LAURA COLINI
University of Iuav Venice

PhD in Urban, Regional and Environmental Design, Habil. in Urban Studies. For over twenty years, she has worked on socio-spatial inequalities and multilevel public policies on housing and migration as researcher and policy advisor to major European programmes and international organizations. Programme Expert for URBACT (2004–2023), she advised hundreds of municipalities on housing, migration, education, culture, and urban regeneration. She contributed to EU Urban Agenda Partnerships on Affordable Housing, Urban Poverty, Migrant Inclusion, and Culture, and evaluated New European Bauhaus projects. Researcher at IUAV University of Venice (H-City, UNESCO Chair on Migration) and adjunct professor in Venice, Florence, and Paris (EUP). Co-founder of Tesserae (Berlin) and MiMetis (Italy), member of the European Responsible Housing Award Jury, INURA, and Forum Sociale per l'Abitare.

Ph.D. student in Mechanical and Industrial Engineering. Her research focuses on the impact of climate change on migration trends, emphasizing socio-economic analysis and modeling to support decision-makers. She collaborates on sustainable development projects aimed at enhancing resilience to climate change. She is the co-funder of the DATINNOVA startup.

SABRINA DE NARDI
University of Brescia

Deputy Director General of Scientific Research; Ministry of Higher Education, Scientific Research and Innovation, Guinea. He is a lecturer-researcher and research administrator. His research focuses on issues related to democratization in Africa and identity challenges. He favors multidisciplinary and cross-cutting approaches. He has taught several courses in Political Science at French and Guinean universities.

RAMADAN DIALLO
Ministry of Higher Education,
Scientific Research
and Innovation, Guinea

Research fellow in Demography at Sapienza University of Rome. His main research focuses on the gender gap in health and survival, examining the contributions of age and causes of death to the gender gap in life expectancy, as well as the social and behavioral risk factors that may increase or decrease the gender gap in healthy life expectancy. His research also explores the spillover effects of state pension reforms on (healthy) work histories, investigating trends and inequalities – such as health, socio-economic disparities, and working conditions – that contribute to changes and differences in (healthy) working life trajectories.

ALESSANDRO FERARDI
Sapienza University of Rome

PhD in Demography working at Sapienza University of Rome. Her research focuses on migration and integration, investigating voluntary and forced mobility aspirations and realizations, migrants' well-being, economic and social inclusion, emerging aspects such as return and environmental displacement, policies and communication on migration issues. In her studies, she adopts an interdisciplinary approach leveraging quantitative and qualitative methods, spanning from texts' analysis, survey data analysis, to ethnographic interviews and focus groups.

CECILIA FORTUNATO
Sapienza University of Rome

Professor of Statistics at the Department of Mathematics and Statistics at the University of Dodoma. His research interests include medical statistics, migration and displacement, statistical inference, statistical process control, applied Statistics. He was recognized as a world scientist in the AD Scientific Index 2025. He is the President of the NSIA branch of Tanzania, the Neutrosophic Science International Association (NSIA), and a life member of the Indian Society for Probability and Statistics (ISPS). Editorial board member of the International Journal of Statistics and Reliability Engineering (IJSRE), International Journal of Statistics and Applied Mathematics, and Academic Editor of PLOS ONE.

SRINIVASA RAO GADDE
The University of Dodoma

Associate Professor of Hydraulic Structures at the University of Brescia. She teaches a course in Climate Change Adaptation and Sustainable Urban Drainage within a master program in Civil and Environmental Engineering. She is currently leading the UNIBS research team in a national research project (URCA! - Urban Resilience to Climate Change), as well as in an European research project (LOESS - Literacy boost through an Operational Educational Ecosystem of Societal actors on Soil).

GIOVANNA GROSSI
University of Brescia

Program Manager, UNESCO Chair on Intersectoral Safety on Disaster Risk Reduction and Resilience, University of Udine, Italy, is a Civil Engineer with a PhD in Environmental Engineering. With two decades in Disaster Risk Reduction and Resilience, she specializes in innovative methodologies for multi-hazard safety assessments. She leverages extensive experience in coordinating international projects with UNESCO and European institutions to apply science and capacity building in mitigating environmental and climate-induced risks. Her work promotes knowledge transfer to strengthen resilience in areas vulnerable to natural hazards.

PETRA MALISAN
University of Udine

GIOVANNA MARCONI
University luav of Venice

Architect and urban planner with a PhD in Urban Planning and Public Policies, is Associate Professor of urbanism at the University luav of Venice, where she is also director of the UNESCO Chair on Social and Spatial Inclusion of International Migrants (SSIIM), established at luav in 2008. Her research focuses on the urban impacts of international migration and on spatial justice, exploring the right to the city for all and equitable access to urban resources - particularly housing, services, and public space - for people with a migratory background.

PEDZISAI NDAGURWA
University of the Witwatersrand,
Johannesburg

Is a Senior Lecturer in the Demography and Population Studies department at the University of the Witwatersrand (Wits), Johannesburg. He holds a PhD in Demography and Population Studies from Wits and a Master's degree in Population Studies from the University of KwaZulu-Natal. His research focus ranges from household and family dynamics to demographic transitions, quality of life, gender-based violence, climate and population nexus, and computational demography.

LUCY NJIRU
Amref International University

Senior Lecturer and the Executive Dean School of Medical Sciences at Amref International University (AMIU). She holds a PhD in Clinical Psychology. Lucy is the Principal Investigator of MAPS research Project in Kenya. She has wide experience in the implementation of qualitative and quantitative research. Lucy has over 10 years University teaching experience. Her research interests are in mental health, refugees, and people living with HIV and disabilities, and drug use. Lucy has published widely in peer reviewed journals. She is also experienced in programming for the mental welfare of refugees, children, people living with HIV, and injecting-drug-users within non-governmental organization settings.

JOSEPHAT NYAGERO
Amref International University

Associate Professor of Public Health and Demography at Amref International University. He also serves as the Executive Dean, School of Public Health at the University. Prof Nyagero holds a Masters degree in Population Studies and a Ph.D in Public Health. He has over 30 years of progressive public health experience across Africa, and in university teaching. He previously served for 10 years as the Technical Lead, Research at Amref Health Africa. Prof Nyagero has authored 53 articles in peer reviewed journals, a chapter in a book, 16 scientific reports and made several presentations in conferences.

JOACHIM OSUR
Amref International University

Is the Vice Chancellor, Amref International University. He is a Professor of sexual and reproductive health; a public health and reproductive health practitioner, and a Sex-ual Medicine specialist. He is widely published in peer reviewed journals, has written books in his area of specialization and is a regular sexual health educator in popular print and audiovis-ual media. Among others, he holds a Bachelor's degree in Medicine and Surgery, a Master's Degree in Public Health, and a PhD in reproductive health; a certification in Clinical Sexology by the American Board of Sexologists and a Fellowship of the Multidisciplinary Joint Committee on Sexual Medicine as designated by the European Union of Medical Specialists.

ENZA ROBERTA PETRILLO
Sapienza University of Rome

Ph.D. in Development Geography, Adjunct Professor in Population, Migrations and Development (Sapienza University of Rome). She specializes in migration policy, geopolitics, and the protection of vulnerable populations, including forced migrants, children on the move, and survivors of human trafficking. She has developed expertise in refugee and forced migration studies, employing theoretical and empirical research to analyze and address the complex challenges faced by displaced populations along various migration routes, including the Central Mediterranean and Western Balkans. She collaborates with academic institutions, international organizations, EU agencies, NGOs, think tanks, and governmental bodies. As a participant in expert and academic networks on migration and asylum, she promotes multi-stakeholder collaboration and shares innovative practices at national, EU, and international levels.

PhD Candidate in Demography at Sapienza University of Rome. Her research focuses on Migration, Integration, and Youth Wellbeing, with a particular interest in Risky Behaviours, Discrimination, and Mental Health. She also studies Refugee Children's Education and Labour Market Entry. Passionate about sharing ideas, she especially enjoys presenting her work and connecting with other researchers.

GIULIANA POLO
Sapienza University of Rome

Is a transdisciplinary researcher, with a Bachelor on Economics at the Universitat de Barcelona, Masters on International Humanitarian Action (NOHA) in Deusto University and specialized in Human rights of women. She has 20 years of field experience in East and Central Africa, mainly working in the Democratic Republic of Congo, as well as in the Caucasus and Haiti, in the domain of sexual and gender-based violence in humanitarian and complex settings. She has worked for the International Rescue Committee, The UN Mission in DR Congo, UNICEF and UK-Aid/DFID (currently FCDO), and worked as Gender and climate justice advisor for Oxfam in the Climate, Peace and Resilience team for the past ten years. She is also a dance maker and performer researching through creative somatic practices. She is currently the MAPS project manager for Universitat de Barcelona, while conducting her PhD on Feminist Political Ecology and Performing Arts.

SANDRA SOTELO REYES
University of Barcelona

Lecturer and Head of Department Culture and Heritage studies at Kabale University leader of the culture and dialogue working group. Research Interests is focused on Later Stone Age to Early Iron Age archaeology of East Africa; ceramic, isotope, botanical analyses and Cultural heritage management. Cultural gala Festival Grant Cross Cultural Foundation Uganda (2025); Research grant, Cross Cultural Foundation Uganda (2024). PhD Archaeology University of Pretoria, Department of Anthropology and Archaeology; Master's Degree, University of Dar es Salaam, Department of History, School of Arts and Social Sciences, Bachelor's Degree Makerere University, Department of History, Faculty of Education (ITK).

RUTH TIBESASA
Kabale University

Is a Lecturer of Sociology at Kabale University Uganda in the Faculty of Social Sciences. Jackson obtained his PhD. From Wageningen University and Research, the Netherlands 2018. My research interests relate to the formulation, implementation, and evaluation of development programs, primarily in low- and middle-income countries. My approach to this work has been from a transdisciplinary, engaged, and problem-oriented perspective, in which the key research questions and choice of methods emerge in the course of engaging with policy and program actors at global, national, or sub-national levels. This approach is guided by robust theoretical frameworks and ensures that the research is responsive to real-world concerns and more likely to be understood, valued, and used by those responsible for policies and programs.

JACKSON TUMWINE
Kabale University

Is currently Associate Professor at the Universitat de Barcelona and researcher at the Barcelona Institute of Economics. He obtained his PhD at the Universitat Autònoma de Barcelona in 2009 and he holds a B.A. in Economic from the Universidad de la Republica in Uruguay. His research focuses on labor economics, in particular the economics of migration, and on the economics of the public sector. His work has appeared in the Journal of Labor Economics, Labour Economics, Journal of Population Economics, Regional Science and Urban Economics and International Tax and Public Finance, among others.
