3) EU Development Cooperation with ASEAN

When did it all start?

- ❑ ASEAN-EU dialogue relations were institutionalised with the signing of the ***ASEAN-EEC Cooperation Agreement*** on 07/03/1980.
- ❑ ASEAN-EU dialogue relations are guided by the ***Nuremberg Declaration on EU-ASEAN Enhanced Partnership*** adopted in 2007. The Declaration sets out a long-term vision and commitment of both sides to work together for common goals and objectives.

EU bilateral cooperation with ASEAN Member States

There are **extreme disparities** both, in terms of economic and social development of the individual countries in South East Asia.

The EU's development policy and cooperation priorities are adapted accordingly and show a big variation among the ten ASEAN Member States (AMS).

The EU's objective is to reduce the development gap, contributing to more integration and coherence between ASEAN Member States.
