AID Portal - View Projects

The screenshot displays the 'AID Portal - View Projects' interface in a web browser. The browser's address bar shows the URL www.swdev.co.za/aid/index.php/projects. The interface includes a search bar, a 'Map' button, and a 'Table' button. A 'Clear Filters' button is also present. On the left, a 'Sector' filter panel lists various project categories with checkboxes and icons. The main area features a map of Africa with numerous orange icons representing project locations. The icons are distributed across various countries, including Nigeria, Chad, Sudan, Ethiopia, South Sudan, Central African Republic, Uganda, Kenya, Tanzania, DR Congo, Angola, Zambia, Zimbabwe, Botswana, Namibia, South Africa, Mozambique, Malawi, and Madagascar. The map also shows major cities like Niamey, Lagos, Abidjan, Luanda, Harare, and Durban. The bottom of the screen shows a Windows taskbar with various application icons and a system clock displaying 14:30.
