

POLIMP WEBINAR INVITATION

**6** April 2016  
Wednesday  
11:00 – 12:00 CET

## “Are EU climate policies up to the challenge of decarbonising Europe?”

8<sup>th</sup> POLIMP Webinar

Dear Colleagues,

We are excited to announce the eighth and final webinar in our **POLIMP Webinar Series**, which will feature a discussion on the topic: **“Are EU climate policies up to the challenge of decarbonising Europe?”**, moderated by Ecologic Institute’s **Benjamin Görlach** (Head, Economics and Policy Assessment).

The webinar will take place on **Wednesday, 6 April 2016** from **11:00-12:00 CET** and will feature guest speaker **Prof. Michael Grubb**, Professor of International Energy and Climate Change Policy at UCL Institute for Sustainable Resources and Chair of Climate Strategies.

Michael Grubb is author of eight books, fifty journal research articles and numerous other publications. He has held many advisory positions with governments, companies and international studies on climate change and energy policy, and has been a Lead Author for several reports of the IPCC on mitigation. His book **Planetary Economics**, which brings together the lessons from 25 years of research and implementation of energy and climate policies, was published in March 2014: it has received widespread accolade as a ‘seminal’ contribution, ‘comprehensive and profoundly important’ for its presentation of a new approach to both the theoretical underpinnings and the practical policies for tackling energy and climate change challenges.

## SPEAKER

### Prof. Michael Grubb

*Professor of International  
Energy and Climate Change  
Policy, UCL Institute for  
Sustainable Resources,  
Chair of Climate Strategies*

## MODERATOR

### Benjamin Görlach

*Head, Economics and Policy  
Assessment*

The webinar will feature a discussion about how the European climate policy instrument mix should evolve until 2050 to guide the decarbonisation of the European economy in line with the Paris Agreement.

To watch the event live visit the webinar's [Google Hangout event page](#) or [Youtube Live Stream](#).

If you would like to contribute to the discussion, please send us your questions and comments by email ([questions@polimp.eu](mailto:questions@polimp.eu)) before the event, or use the [Q&A App](#) on the Google Hangout event page during the live event.

If for any reason you are not able to make the live webinar, please visit the POLIMP Webinars [Youtube channel](#) soon after the event to view a full recording.

To find out more about the POLIMP research project, visit our [website](#), or connect with us via [Facebook](#) or [Twitter](#).

We hope to see you there!

Best regards,

Matthias Duwe - Head, Climate – Ecologic Institute  
for the POLIMP consortium

### **About the POLIMP project**

*POLIMP aims at identifying knowledge gaps for policy and decision makers internationally and within the EU. POLIMP collects information from various different sources and offers it to stakeholders in desired packages, in intuitively easy formats and clear language.*

*This project has received funding from the European Union's Seventh Programme for Research, Technological Development and Demonstration under Grant Agreement No 603847*
