

# Making Finance Work for Africa

## MFW4A Strategic Directions 2018 - 2020

1

## Vision

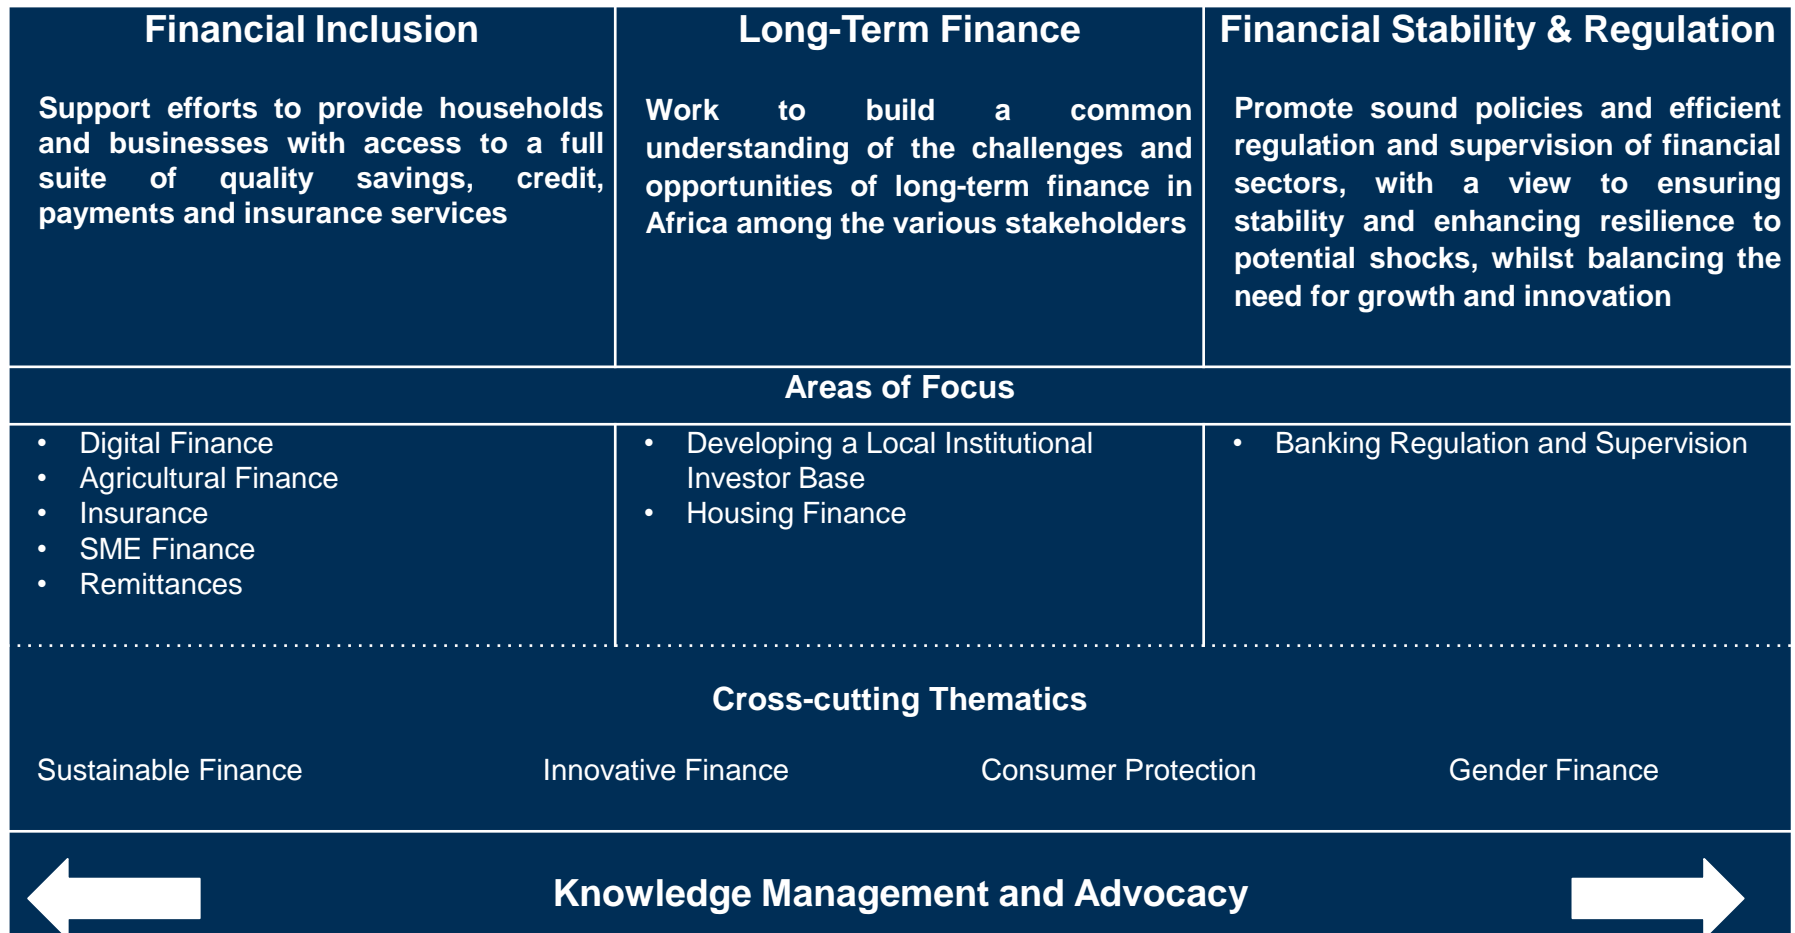

MFW4A Partners share a common vision of innovative, sustainable, competitive, and diverse African financial systems, providing near universal access by 2030 and offering a full range of products and services for the continent.

## Mission

The Partnership's mission the reference platform for advocacy, knowledge sharing and cooperation on financial sector development in Africa.

- ❑ **Strengthen the Partnership as a unique platform for sharing, collaboration, research and joint initiatives between and amongst development partners and the African financial sector**
- ❑ **Changes to governance and funding, structure as agreed in June 2016, provide a platform for this.**
- ❑ **Objectives during this strategic phase:**
  - ✓ **Strengthen value proposition and financial sustainability**
  - ✓ **Expand Membership**
  - ✓ **Sharpen focus on short, medium and long term outcomes**

# Strategic Priorities and Areas of Focus

**Making Finance  
Work for Africa**

**Thank you**
