

MULTILATERAL ENVIRONMENTAL AGREEMENTS PROJECT AFRICA HUB

The African component (Africa Hub) of the ACP capacity building programme on Multilateral Environmental Agreements (MEAs) is hosted by the African Union Commission under the Department of Rural Economy and Agriculture.

The Project has funding from European Union, and United Nations Environment Program (UNEP) is the overall facilitator.

OBJECTIVE:
To build the capacity of 49 African ACP countries and Regional Economic Communities (RECs) to implement their respective obligations under MEAs

AIM:
Sound Environmental and Natural Resources Management by the African ACP Countries and RECs.
