MINERALS CURRICULA SPRINT

RETURN TO WORK PLANS (RWP)

An initiative of the African, Caribbean and Pacific Group of States, financed by the European Union and United Nations Development Programme, and implemented by UNDP.

Empowered lives.
Resilient nations.

I. RETURN-TO-WORK PLANS

Return to Work projects are a valuable mechanism for workshop participants' personal and professional development. As part of your sponsorship, you are required to develop a return-to-work plan on a project you will undertake on your return, applying the knowledge and skills gained from workshop to influence change.

Periodic follow-up on the progress of implementation of the plan will be undertaken by UNDP.

II. REPORTING STRUCTURE FOR RETURN-TO-WORK PLANS

To facilitate ease of reporting and follow-up on your return to work project, the structure below outlines the key project elements that need to be covered in the reporting. **Please submit a draft Return to Work Project (RWP)** using the structure provided below.

GENERAL INFORMATION
Name(s): NJOYA ANDRE
Position: SENIOR LECTURER
Email: njoyaa@yahoo.com
Phone no (office + mob): 00237 677 952 201 / 00237 662 400 101
Brief Description of the project: 1 Improve lecture notes for Master's students in Art and Material's Technology in the following courses: 1a- Local materials and sustainable development (new concepts, local materials as development minerals and rocks, environmental, safety and communities approaches) 1b- Workshops and Practical in Ceramic process, Eco-Building and Clay Mineral Technology (security and safety in workshop, field trips and laboratory practical)
Expected Outcomes: Lecture notes and Practical works are updated to fulfill development mineral concepts and practices

Expected Outputs: Background and knowledge of students are improved as development minerals, environment, community and safety are concerned.

Please describe how you plan to implement the return to work project: (outline key partnerships and collaborations across sectors in your country as well as any joint collaboration with other countries)

Partnership: Local Material Promotion Authority (MIPROMALO)

Laboratory of Clay, Geochemistry Sedimentary Environment, university of Liège (Belgium)

What indicators of success will you employ? (include indicators of success that go beyond activity-level implementation)

Number of students and trainees using the new concepts and practices according to development minerals at their work place

What other strategic opportunities have you identified that will contribute to the success and sustainability of your project?(include linkages to sub-regional and regional agenda)

1- Contribution to development of short time training and capacity building in the field of development minerals in Cameroon in collaboration with national coordinator of M4D Program

2- Develop partnership in the domain of training with other ACP countries as Republic of Congo and Republic of Guinea Conakry (discussions are going one)

What aspects of the training will be most useful in implementing your project? Explain

All the modules are useful and will be important as well as experiences from other participants of the Maputo workshop for the adaptation of lecture and practical notes.

What are your future plans? (Include any additional capacity building needs for your professional development that you have identified during the course of the workshop).

Participation to other workshops and trainings related to development minerals

Elaboration of technical papers on development minerals in Cameroon

ACTION PLAN							
Period	Month 1 April 17	Month 2 May17	Month 3 Jun 17	Month 4 Jully 17	Month 5 Aug 17	Month 6 Sept 17	Month 7 Oct17
Activity 1: Improve lecture notes and practical works							
Activity 2: Initiate partnership with Guinee Konakry							
Activity 3: Develop partnership with Congo Brazz on dimensional stones							
Activity 4: Participation to other workshops							
Activity 5: Elaboration of technical papers							
Activity 5: Development of training programs							

III. SUBMISSION DATE OF THE DRAFT RETURN-TO-WORK PLAN

The draft Return to Work plans should be sent by **Tuesday 2 May 2017** to development.minerals@undp.org
