Please invite your Contractors to attend the event and share their contact details with us to provide the access to the webinar: EuropeAid-OPSYS-USER-SUPPORT-COMMUNICATION@ec.europa.eu
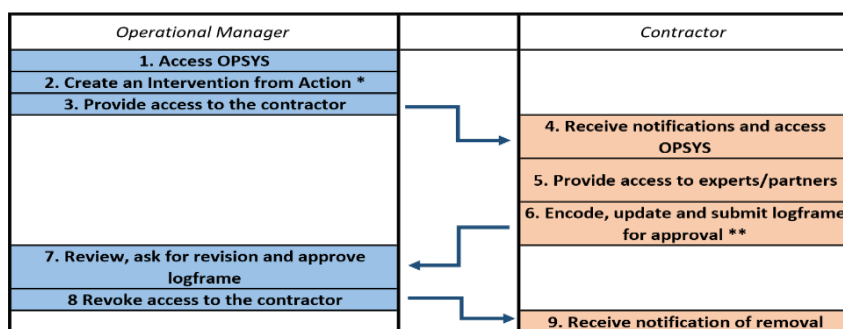

Language: English

Course objective:

The objective of the webinar is to explain what can be done now in OPSYS and the future developments of OPSYS.
OPSYS is the new one-stop-shop that serves for the entire EU external relations portfolio of interventions, from programming to the evaluation and audit.
The colleagues can start using OPSYS the day after the webinar, since the permissions will be granted to users only after the webinar has taken place.

What can be done in OPSYS?

Operational Manager		Contractor
